

18 FISH

Believe it or not, we've refined and improved what was already the best selling boat in the Welcraft line.

Anchor handling or boarding over the bow is easier thanks to the new split bow rail. There are twin, insulated fish boxes in the floor and the new gunwale rod holders lock to keep everything in place when the going gets rough.

Other fishing refinements include new flush mounts on the Bimini top and stern light, recessed cleats, and improved sliding bolt locks for the inboard folding transom.

Forward of the console is an insulated cooler (or optional live well) which is also convenient for tackle and gear storage. Coaming courtesy lights are standard and you can even opt

for a bench helm-seat with a cooler beneath.

SPECIFICATIONS

L.O.A.	17'10"
Beam	7'0"
Dry Weight	1,750 lb (O/B no engine)
Fuel Capacity	52 gal
Max. Horsepower	150
