Fuel Capacity	60 gal
Max. Horsepower	235 O/B
Deadrise	20 degrees
Draft Up	18"
Down	32"
Bridge Clearance	5'3"

## 20 F I S H

At first glance, most center console fish boats look about the same. But check the details and the 20 Fish runs up the score on the competition.

She has twin, insulated fish boxes under the floor and a recirculating baitwell— which all drain overboard, not into the bilge.

Bait trays and locking coaming rod storage keep your gear organized when the going gets rough. The deck cleats and mounts for the Bimini top and

stern light have been recessed to eliminate line snags. There is even an optional stowaway bait prep and catch cleaning station which quick-mounts onto the gunwale.

All of these features come in a container no one else can match, a world-class Welcraft hull with a full fiberglass liner,

glass encapsulated stringers, full flotation, and a beefy 25-inch transom.

The closer you look, the better she gets. Check out the 20 Fish today.
