Down	36"
Bridge Clearance	5'3"
w/ arch	7'0"
Sleeping Capacity	4

34 SCARAB EXCEL

Intimidating performance and the understated luxury of a new Italian influenced interior come together in perfect balance on the 34 Scarab Excel. ♦ Twin 502's fed by new RamAir® injection put her in a different time zone from the imitators. The double helm seat converts to a stand-up bolster and faces a dash with performance instrumentation, ignition interrupters, engine synchronizer, quadrant engine controls, high speed compass, speedometer and much more. ♦ Her Euro-style cockpit is the largest of any 34 footer and features a wraparound stern seat with integrated storage. There is also a fully padded, sculptured sunlounge on the stern. ♦ Below deck, her white-on-white interior has a distinctly Italian ambience. Opalescent, white opera vinyl covers the salon seating, as well as the V-berth in the owner's cabin forward. ♦ See your Wellcraft dealer and drive one of the best, and baddest, performance boats in the world... the 34 Scarab Excel.
