

192 Sport

Now you can buy one of the most popular sportboats on the water in an economical package that includes a sterndrive engine, heavy-duty galvanized trailer and much more.

With her low profile foredeck, swept, radius windshield, and cushioned, stern sun-lounge, you might mistake the 192 for a downsized performance boat.

Sterndriven V-6 power doesn't do anything to dispel that impression either. Plus the cockpit has a full complement of great features like lay-down lounge seats, a custom sport steering wheel and an AM/FM cassette stereo!

192 Sport

Below deck, she has an insulated cooler, and plenty of storage space and a roomy V-berth for overnighting.

Pick up your special delivery package of performance and fun today at your Wellcraft dealer—the 192 Sport.
