

196 Eclipse & XL

The 196 Eclipse is an all-around crowd pleaser, with loads of room for the entire family or skiers with a cheering section.

The comfortable fore-and-aft cockpit seats recline and fold flat for sun lounging. The seats have molded foam inserts and new custom-detailed upholstery with foam-backed vinyl that molds to the shape of your body and will remain comfortable and attractive.

To make sure the cockpit stays clean and uncluttered, hidden top storage and coaming shelves with cargo nets and coolie-can drink holders are standard. A 25 quart, carry-on cooler fits neatly under the port-side dash and there is a large ski locker with a hinged teak lid in the cockpit floor.

Another handy feature is a new optional accessory plug which allows you to use a spotlight, VHF, or travel light in the cockpit.

The 196 Eclipse XL adds an extra touch of sportiness with swiveling bucket seats, stern seat and a large padded sun-lounge on the stern.

Please your crowd with the comfort and quality of the 196 Eclipse.
