

197 Eclipse & XL

Turn your fun day on the water into an entire weekend with the 197 Eclipse.

Her wide beam offers one of the roomiest cuddy cabins going. It has a large V-berth with storage underneath, insulated icebox, deck hatch—even an optional head.

You'll be ready to ski or cruise all day thanks to the forty gallon fuel tank and efficient modified V-hull. And you'll be comfortable, thanks to cockpit seating that features molded foam inserts and high quality foam backed vinyl that molds to the shape of your body.

The aft jump seats flank a new upholstered, lightweight

motor box that has coolie-can drink holders and a new easy-access hatch. An AM/FM cassette stereo with water-resistant speakers is standard.

Swimmers and skiers will appreciate the molded-in swim platform, which makes getting in and out of the water simple and safe.

A full-size, padded stern sunlounge, stern seat with ski storage, and swiveling bucket seats are available on the sporty XL version of the 197.

Take your pick and turn your day on the water into a weekend with the 197 Eclipse or XL.
