

210 COASTAL

The 210 Coastal's large cockpit, overnight capability and a serious fishing layout give her the feel of much bigger boat.

The cockpit is self-bailing and features insulated, molded-in fish boxes, bait boxes built into the transom, swiveling captain's chairs and a custom Bimini top. The welded, stainless steel bow rail has been extended three feet aft to make going forward even easier.

Two anglers can sleep in total comfort in the cuddy which has all new practical vinyl upholstery. She's available with either burgundy or navy blue accents and either transom or bracket mounted outboards, or a stern drive.

Check out the biggest 21-foot fish boat afloat, the 210 Coastal from Wellcraft.
