

215 Eclipse XL

T 215 Eclipse & XL

his top-of-the-line bowrider is one of the best values in its class, thanks to plenty of well-conceived features and built-in Wellcraft quality.

The bow lounge area has been redesigned with new rounded corners for more comfort. It also features coolie-can drink holders and loads of storage underneath. The welded stainless-steel bow rail and all other deck hardware is through-bolted for strength and safety.

Aft of the fully instrumented dash are fore-and-aft seats that recline or fold flat for sun lounging. Plenty of storage in the coaming shelves and cargo nets is within easy reach, as are four conveniently placed coolie-can drink holders. The AM/FM cassette player is equipped with

high-quality, water-resistant speakers.

The cockpit is neat and uncluttered, thanks to a 25 quart, removable cooler that fits under the portside dash. There is also a hidden, in-floor ski locker with a hinged teak cover.

If you want all of this and more, the 215 Eclipse XL offers a full-sized sunlounge on the stern, twin bucket seats and an aft seat.

All the features you could ask, plus built-in Wellcraft quality, make the 215 Eclipse and XL your best value in bowriders. See one today.
