

# 2600 COASTAL

The 2600 Coastal is often described by proud owners as a "pocket sportsfisherman."

The name makes sense as you head out the inlet, her fine forward entry slicing through the seas like your best bait knife. And when you get offshore, nearly ten feet of beam offers you the most stable fishing platform in her class.

The large, non-skid cockpit has oversized aft scuppers for quick draining. Fishing room is maximized, thanks to the in-floor fish box (on outboard and transom bracket models). An optional baitwell is under the

companion seat and you'll find plenty of rod racks in both the gunwales and cabin.

And what a cabin! A dinette, full galley with room for a coffeemaker and microwave, enclosed head and separate V-berth offer better accommodations than most 30 footers. And this year you'll also find the cabin has been trimmed out in teak for a touch of warmth.

See the world's first "pocket sportsfisherman" at your Wellcraft dealer—the 2600 Coastal.

## SPECIFICATIONS

L.O.A.	26'1"
Beam	9'8"
Dry Weight	5,500 (O/B no engine) 7,100 lb twin I/O
Fuel Capacity	150 gal (200 option)
Water Capacity	20 gal
Max. Horsepower	twin 225 O/B twin 205 I/O
Deadrise	18 degrees
Draft Up	18"
Draft Down	36"
Bridge Clearance	7'3"
Sleeping Capacity	4
