

and comfort for two guests or the children. A private head with shower, sink and vanity is standard.

And at Wellcraft, luxury always includes strong performance. The efficient, modified V-hull of the Gran Sport is driven by powerful twin V-8's coupled to heavy-duty underwater gear.

The Gran Sport is a complete package of style, performance and luxury.

also two interiors to choose from: a contemporary new barrier-free plan, or a more traditional design with an enclosed forward stateroom. In either configuration, she sleeps six in comfort.

Oak has been introduced in the cabin to provide a touch of warmth around the counters, sofa shelves and dinette table, and the full galley offers a large refrigerator, sink and stove. A microwave, food processor and an entertainment center may also be added.

The exceptional forward master stateroom is complete with a double island bed. But sleeping accommodations don't end there. Another private cabin aft offers plenty of space

The refined European styling of the Gran Sport is accentuated by dozens of luxury touches that set this cruiser well above the rest. The stern swim platform, which features molded-in steps and a walk-through transom makes boarding safe and convenient. The cockpit is engineered to encourage conversation, with high-backed helm and companion seats, and a broad stern seat. A cockpit wet bar is even available.

Below deck you'll be soothed by soft hues and natural tones inspired by the colors of the Grand Canyon. There are
